

Building a Causal Factor Chart from Witness Statements

Notes from an interview with Ron Fryer:

Notes from an interview with the Police Department:

The telephone pole and Mr. Fryer's car were damaged in an accident that occurred at 7:52 a.m.

| | | |
|--------|--|-----------|
| LC, PD | Ron Fryer's car hit a telephone pole. | 7:52 a.m. |
| PD | Ron Fryer's car and a telephone pole were damaged. | 7:52 a.m. |

Combining the Two Interviews:

Was the telephone pole an adequate distance from the road?
